Hives

Like All Other Blood Diseases, Are

Cured by Hood's Sarsaparilla.

"I have been a sufferer for several years with

hives, and have tried everything I could

hear of, from friends, or ordered by physicians,

but nothing cured. In fact I

scarcely was getting worse

Finally I read about hives being cured by

Hood's Sarsaparilla, and decided to try this

medicine. Before half a bottle was gone I was

almost cured, and now, being on the second bot-

tle, I am entirely cured and take great pleas-

ure in recommending Hood's Sarsaparilla to all

who suffer from this distressing affliction.

Hood's Sarsaparilla has also helped me in

many other cases of "blood medicine."

IN SENATE AND HOUSE.

Attempt to Displace the Tariff Question

With a Silver Discussion.

TO INVESTIGATE JENKINS.

Resolution Adopted in the House Provi-

ding For an Inquiry of His Famous

Strike Order—President Cleveland

Returns From His Outing Trip.

WASHINGTON, March 6.—There was

evidence during the progress of routine

business in the senate this morning of a

purpose on the Republican side of the

chamber to displace the tariff question

with a silver discussion over the Bland

bill. There were but few Democratic

senators in the chamber when the vice

president's gavel fell. Mr. Hill awak-

ened interest by offering the following

resolution and asking its reference to

the committee on finance.

Whereas, The secretary of the treasury

has announced a deficit of \$18,000,000 for

the current year.

Whereas, House bill No. 4,884, known

as the Wilson bill, proposes to discard

the silver standard and to place the tax

on the silver side of the coin, and as a

consequence of an explosion of gold, the

silver standard, which has been

lowering all the morning, broke over the

senate when Mr. Harris (Tenn.) moved

the second reading of the Bland bill.

In doing so, he stated to the senate and

especially to the senate from Nevada

(Mr. Stewart) that the latter was not a

more earnest advocate of silver coinage

than he. But he (Harris) believed that

there was one question which should take

precedence over this, and without any

breach of confidence, he could state that

the finance committee was on the verge

of reporting the tariff bill to the senate.

He, therefore, objected to further pro-

ceedings on the Bland bill, and un-

der the objection it would have to go to

the calendar.

To Investigate Jenkins' Order.

WASHINGTON, March 6.—The house

adopted a resolution providing for an in-

vestigation of Judge Jenkins' order pre-

venting the Northern Pacific employees
